Contending: The National Capital Region Prayer Summit for Pastors and Leaders 2020

Pray Ottawa invites pastors, leaders, spouses and teams to come together to pray. God is already at work and we want to participate with him!

Our driving theme this year is 'Contending'

Throughout history the church has gone through periods of renewal. Church renewals have always begun with personal renewals. This happens when sisters and brothers contend through prayer that the Holy Spirit would move. We must contend for character reformation, contend for people to encounter Jesus, contend against the enemy and contend for the faith. The summit will feature solid biblical teaching on contending, dedicated prayer time (personal and corporate), and replenishing free time and meals among friends.

Our desire is that the prayer summit would act as a catalyst for sustained prayer movements in our region. You will meet leaders from your neighbourhood and be invited to pray together regularly and potentially create partnerships. We encourage you to invite ministry leaders, church planters, and pastors of every ministry.

Guest Speaker & Facilitator Rev Kent Bandy

Director of Ellel Ministries Canada (Ontario)

Kent is the National Director of Ellel Ministries Canada, an inner healing and discipleship ministry with the vision and mandate to bring the Heart of God to the Heart of Man. He and his wife Karen have been serving full time in ministry for 25 years. Kent's passion to see the body of Christ walk in healing and wholeness has opened doors into many ministries where he has been able to teach, pray, and come alongside the leadership to see God's Kingdom come in their own lives and in the organisations they lead.
